**Chiefs May Be Topic Of Madison Council**

The Madison council is to meet in a regular session at 8 p.m. tomorrow and is expected to take official action in the naming of a street.

Chief Stanley Wojcik was named as the topic of discussion. Earlier action in the naming of Chief Stanley Wojcik was taken at a 10 p.m. Sunday session on April 19, called by Mayor Maers.

Another topic may be tavern hours. The Press-Record was informed a petition with 32 signatures was presented to Maers several months ago asking stricter tavern controls. The petition was denied.

Patrons of a Grand avenue tavern were smashing beer bottles the streets and sidewalks and parking areas to block driveways. "We took action then," Maers said today.

Ex-Chief Wojcik, a 22-year veteran on the Madison police force, is expected to join the deputy force of Sheriff Barney Fraundorfer, also a former Madison police chief.

Maers said today that he had been informed that the Madison police chief, late this week, would be leaving for a golfing trip to Mexico.

He had been informed that the Madison police chief, late this week, would be leaving for a golfing trip to Mexico.

**3 Linked With Theft Of Auto In Madison**

Melvin George Moore, 21, Calhoun, and George Melvin Turner, 17, of 2126 Washington street, Madison, were in front of the Madison police station at the preliminary hearing on grand theft was waived in Madison.

Each is free on \$1000 bond. The 15-year-old has been referred to juvenile authorities.

**Two Local Brothers Arrested For Holdups**

Two Granite City brothers were arrested Friday and Saturday for armed holdups of the Security Savings Association at Belleville.

They are James Travis Smith, 35, and Gary C. Smith, 28. The older brother was arrested early Friday for the Thursday afternoon holdup in which \$550 was taken. He was identified by a picture taken by a hidden camera in the financial institution.

The photo was televised, and viewers called authorities. Gary Smith was arrested Saturday for a robbery last Nov. 18 at the same institution where \$400 was taken. They are being questioned by Belleville police and the FBI on other cases in Belleville and in St. Louis.

truck by an auto at 4:05 p.m. Saturday as she was walking eastward across Madison avenue in the 2700 block.

Taken by ambulance to St. Elizabeth Hospital, she was admitted as a patient. She reported neck and back pains.

The motorist, Robert Spangler, 33, of 3314 Franklin avenue said he had been driving south on Madison avenue. The woman ran against the right side of his car after emerging from behind a parked vehicle, he related.

Scott Paschedag, seven son of Mr. and Mrs. Elroy Paschedag, 1104 Kirkpatrick Homes, was admitted to St. Elizabeth Hospital at 3 p.m. Sunday after he was struck by a car driven by Carl S. Hasenbach, 53, of Booneville, Mo., at East 23rd street and Namsel road.

Witnesses said he darted in front of the car, which had a right front headlight broken. The boy was reported in good condition today.

**Motorist Injured**

David Partney, 20, of 2215 Dewey avenue, suffered a cut to the left thigh and an injury to the upper jaw in an automobile accident at about 3 p.m. Sunday.

He was treated at St. Elizabeth Hospital and was released. A report of the accident was not available.

**Car Overturns At Toll Plaza**

A St. Louisian, Clyde Vernell, 33, suffered a cut on the forehead but escaped serious injury at 2:30 a.m. Friday when his 1937 auto overturned at the McKinley Bridge toll booths.

He was given emergency treatment and being taken by ambulance to St. Elizabeth Hospital.

Vernell had been descending the bridge approach and said the brakes failed on his eastbound auto. He veered to avoid striking an auto in front of him and his car flipped over, coming to rest on its top.

As the car overturned, it damaged a barricade and part of a strip of concrete which divides eastbound lanes at the Venice toll plaza.

The vehicle was described as a total loss. Vernell was charged with careless driving and having no driving license. He was released at 9:30 a.m. Friday on a property bond.

Mrs. Joan Schall, 32, of 911 Lee avenue, Madison, was treated at St. Elizabeth Hospital Friday for back pains resulting from a traffic accident. Police listed damage to the rear of the southbound auto of John Schall, 911 Lee, who halted at 3:55 p.m. to turn left into an auto repair garage in the 1300 block of Madison avenue, and the front of a truck being driven south by James Schmidt, 1001 Greenwood street, Madison.

**Auto Hits Billboard**

Cuts to both hands were suffered by a St. Louis motorist, Carlton Dowdy, 30, at 4:15 a.m. Friday when his southbound auto left Fourth street and struck a billboard south of the Wiggins highway near the Venice city limits.

The car, which was damaged about the left front, was towed to a garage. Police charged the driver with careless operation of the auto and with having an open pint bottle of whiskey in the car.

Dowdy said his car was forced into the right shoulder of the road by another auto. When he attempted to return to the traffic lane, the vehicle went out of control, coming to rest in a ditch he related.

**Bicyclist Injured**

Gerald Haynes, 13, of 2105 Elm street, was injured at 4:30 p.m. Saturday when his westbound bicycle collided with the left side of the eastbound auto

broken was glass in an interior door near its doorknob.

A check for \$3 was obtained by a burglar who broke glass in a side window at Cook's Confectionery, 401 McCambridge avenue, Madison, between 9 p.m. Friday and 2 a.m. Saturday.

Cabinets in the store were ransacked, and the intruder left through a rear door.

A chisel and screwdriver found on the floor apparently were used by the burglar to reach the main part of the store by creating a hole in a plasterboard wall connecting with a restroom. The restroom was entered from a doorway by breaking an interior window.

An unknown amount of money was taken from a juke box and cigarette machine, which were forced open during a burglary at Smith's barbecue, 2726 Namsel road, it was reported at 9:40 a.m. Saturday. A telephone and wall were damaged, but no money was removed from the phone.

Entry was gained by breaking a rear door glass.

About \$15 in cash was taken from the cash register during a burglary at the Foodland market, 2156 Pontoon road, it was reported at 8:40 a.m. Friday by Anthony Urban, proprietor. The front door had been forced open with a tool with a 3-inch slot.

The door jamb was torn loose and the lock was broken.

Bill Childress, 2202 Woodland avenue, reported at 11:50 a.m. Sunday that during the night a tire and green wheel were taken from the unlocked trunk of his 1933 auto while it was parked in front of his home.

**State Investigating Work Crew's Activity**

State highway maintenance officials are investigating a report received Friday afternoon that a state crew with a truck and compressor were seen to do work on private property in Madison.

Further information is being sought from an anonymous caller. The crew was seen at the rear of a building in the 1300 block of Madison avenue.

**Venice School Pickets**

Rev. Oscar Elridge, Madison county official of the Congress of Racial Equality, and two women picketed for an hour this morning in front of the Venice public school in a further protest related to school policies.

The school board has not yet announced whether both the Lincoln and Venice high schools or just Venice high school will be operated in the next school year.

**Undergoes Surgery**

Merlin Perkins of Troy, a former Granite City, is recuperating in Room 225 at Jewish Hospital, St. Louis, from major spinal surgery which he underwent Thursday.

Woodrow Killian, 2812 Birch avenue, at 2400 Terminal avenue, was making a U-turn, was damaged.

Those treated at St. Elizabeth Hospital during the weekend for traffic injuries included Judith Hastings, 19, daughter of Mrs. Helen Warmack, 4332 Carl avenue, who suffered a "whiplash" injury. She reported head and back pains.

**Mrs. Sebescak, 70, Dies, Ill 6 Months**

Mrs. Katherine Sebescak, 70, of 104 Washington avenue, Madison, died of a heart attack at 7:45 p.m. yesterday at St. Elizabeth Hospital. She had been ill six months and a patient in the hospital one day.

Born in Czechoslovakia, Mrs. Sebescak was a 30-year resident of Madison.

She was a member of St. Mary's Catholic Church, Madison, the Slovak Rosary Society and the First Catholic Slovak Ladies Union.

Mrs. Sebescak's husband, John, died seven years ago. She is survived by Mrs. John (Mary) Sardigal, Madison, five grandchildren and 13 great-grandchildren.

An obituary notice is given elsewhere in today's issue.

**Cancer Fund Fashion Show Collects \$200**

About \$200 was donated to the Annual Cancer Society at Saturday afternoon's fashion show at the Rose Bowl restaurant, 1215 N. 1st street, St. Louis.

Shirley, chairman. About 125 persons were present.

Local women modeled fashions from St. Louis Fashion Creators who were co-sponsors of the event with the Welcome Wagon club. The Dope and Bettoms store of Granite City also furnished fashions and the Granite City Hairdressers Association provided the hair styles for the models.

The models were: Mrs. Diana Moulumbly, Mrs. Nancy Beaumont, Mrs. Roni Erickson, Mrs. June Whitson, Mrs. Lucie Englund, Mrs. Joan Wischnick, Mrs. Barbara Maxfield and Mrs. Nina Bigley.

Narrator for the show was Mrs. Lucie Englund and Norman Kramer played the organ during the proceedings.

Mrs. Shirley Adams sang, accompanied by Kramer, and Linda Ohms gave a baton twirling exhibition. Prizes were donated by local merchants.

James Gross, a director of St. Louis Fashion Creators, was among the guests at the show.

college credit hours, would be changed from the current \$655-\$877 to \$655-\$950 and \$655-\$1011. The 1963-64 pay would be \$655, \$694, \$711, \$761, \$788, \$816, \$866, \$888, \$911, \$944, \$966 and \$1011.

Bachelor degrees with 150 credit hours would rise from \$588-\$811 to \$588-\$833 and \$588-\$844, while bachelor degrees with 175 hours would increase from \$611-\$833 to \$611-\$905 and \$611-\$966.

The local initially proposed salary rise for non-degree teachers but has since suggested that the maximum rise from \$604 monthly to \$716 next year and \$738 the following year. None have been hired at regular teachers for a number of years. A few with long experience remain in the district.

Many of the proposed fringe benefits and working agreements requested by Local 743 also would affect the school district budget substantially. Cost estimates have not yet been announced.

### Five Boys Join Altar Association

At Sunday services at St. Bartholomew's Episcopal Church, five young men—William L. Harris Jr., George N. Motzko, James R. Reader, J. Mark Duffner and M. Michael Speer—were admitted members of the Order of St. Vincent, a national association of altar boys in the Episcopal Church. They were presented by Larry E. Eaves.

At the same service, Mr. and Mrs. Ronald Blatz of Venice received their first Holy Communion, and will be confirmed next Sunday in East St. Louis by The Rt. Rev. Albert A. Chambers.

Servants next Sunday, May 3, will be the last ones conducted here by The Rev. David E. Nyberg who will depart May 5 for service in the Air Force, as a chaplain.

### Lodge Observes Brothers' Night

Brothers Night was observed Thursday evening by members of Juanita Rebekah Lodge 477. A pot luck supper was held at 6:30 in the Odd Fellows Annex. Honored guests were John Schilf, Elmer McElath, David Morgan, Alva St. John, Lloyd Patterson, Charles Veach, Ross Nightingale and Philip Morrison.

Mrs. Amelia Jung was an honored guest as well as Mrs. Mary Morrison, 26th District deputy president, and Mrs. Charles Veach, treasurer of the 26th District. Members from all Quad City lodges were present.

Mother's Day will be observed at the next meeting of the lodge, Mrs. Mable Clark, noble grand, presided and 52 guests and brothers took part in the activities.

### RETURNS FROM VISITS

Mrs. Bethel J. Davis, returned to her home, 2148 State street, Friday from a three weeks vacation spent in Arlington, Va., and Memphis, Tenn.

Mrs. Verna Willmott returned with her son-in-law and daughter Mr. and Mrs. M. A. O'Connor Jr., and family in Virginia and with her son and daughter-in-law, Mr. and Mrs. Donald C. Davis in Memphis, Tenn.

## Mrs. Vunovic Wins District Secretary Title

Mrs. Charles Vunovic, CFS, member of the Tri-Cities Chapter of The National Secretaries Association (International) won the "Secretary of the Year" contest for the Illinois Division at a meeting held Friday and Saturday at Rockton, Ill. She was selected from a field of five.

Mrs. Vunovic is secretary to Charles P. Whitehead, president of General Steel Industries, Inc. She joined NSA (Charter member of the Tri-Cities chapter) in 1951.

Judges for the event based their decision on the contestant's appearance, poise and answers given to the three office situation questions.

If the number of points earned by Mrs. Vunovic are higher than those of the other division winners in the Great Lakes District, she will become the "Great Lakes District Secretary of the year" and will compete with four others in the International Contest held at Washington, D. C. in July.

Other Tri-Cities Chapter members who attended the Division meeting were Miss Arlene Noll and Miss Jane Davis of General Steel Industries and Mrs. Dorothy Lawrence of Nesco Steel Barrel Co., president of Tri-Cities Chapter, who was the Chapter delegate president of the Illinois Division. Mrs. Helen Taube, who presented the SATV president at the business session, attended by 353 persons.

### Harmony Class Holds Meeting

The Harmony Sunday school class of the Niedringhaus Memorial Methodist Church met Saturday evening in the home of Mr. and Mrs. Elmo Hinson, 1538 Cottage street, with Mr. and Mrs. Robert Richardson assisting.

Mrs. Verna Willmott opened the meeting with prayer and the daughter-in-law, Mr. and Mrs. O'Connor Jr., and family in Virginia and with her son and daughter-in-law, Mr. and Mrs. Donald C. Davis in Memphis, Tenn.

### SCHOLARSHIP WINNER, Miss Judy C. Matras Wins Scholarship

Miss Judy C. Matras, an honor student and graduating senior at Granite City High school, has won the home economics scholarship awarded for Madison county by the University of Illinois, it was announced today by Wilbur R. L. Timpe, county superintendent of schools.

Applications were received for the eight county scholarships in February and awards were made on the basis of ACT examination scores. They exempt the winners from tuition fees for a period of four years.

Miss Matras is the daughter of Mr. and Mrs. John Matras, 3221 Feilding road. She is a member of the National Honor Society, the high school honor society, Modern Music Masters and is secretary of the Youth Fellowship at Nameoki Presbyterian Church.

Did Angels Help?

## Warriors Revive To Beat Tigers 4-3

It was sort of like a rerun of the old baseball movie, "Angels in the Outfield," with the Granite City Warriors standing in for the Pittsburgh Pirates and a much more polite Joe Fedora for loudmouthed McGovern (Paul Douglas), the Bucs' manager. The angels, apparently, played themselves.

This version of the late show was run off Saturday afternoon at Wilson Park as the Warriors scored four runs with two outs in the final inning, defeating previously unbeaten Edwardsville 4-3.

Cough Fedora, unlike the movie's McGovern, didn't report any conversations with celestial beings but he was walking on clouds after the game. This is entirely excusable.

The amiable mentor was wondering last week when his team, second best in the state last

season, would find itself. After last Wednesday's loss to Belleville, the Warriors had a so-so record of nine wins, six losses—five of the setbacks by one-run margins.

Friday's 10-0 victory over the weak Triad Knights offered hope but it was Saturday's triumph that Fedora believes may be the turning point of the season.

### Three Unearned Runs

The visiting Tigers, who had won all five of their games in the Southwest Conference, broke a scoreless tie in the sixth frame with three unearned runs. Singled by Dave Bopp and Bernie Williams preceded a vital two-out error which allowed a run and Dave Dietzel's two-run double. Right-hander Ron Daube held the Warriors scoreless in their half of the inning and

things looked black for Fedora's squad.

It was even blacker after Bob Karamanoff doubled but was retired on a fielder's choice and Joe Fanning filed out. But then one may fancy, the angels took over and Gene Bryant slugged his first homer of the year to tighten the score to 3-2.

Punch-hitter Dan Mosey then was safe on an error. Bob Schartz singled, Russell Peters singled to tie the score and pitcher Pat Harris clobbered a long blow to right-centerfield to win his own game.

### 4-4 In Conference

Harris, like loser Daube, allowed six hits. He also struck out seven and walked but one. His game-winning hit had the distance for a home run but was ruled a double as the winning run scored.

Although the movie Pirates

went on to the pennant, Fedora isn't predicting a Southwestern Conference flag for his Warriors. But it's still possible, since the club stands 4-4 in Southwestern play to first-place Edwardsville's 5-1 mark. Each team plays 12 league games.

In Friday's win over Triad, Steve Lilek chucked a two-hitter, walked none and struck out six. Fedora used 26 players in the rout, with Rich Lee and Fanning knocking homers and Larry Dillard hitting a triple.

The Warriors have two days of practice coming up and then have two conference games: Wednesday at East St. Louis and Thursday, when Collinsville comes here.

## Mercer Rallies Top Troy 11-6 In Opener

Late rallies gave Mercer Faint a victory. Sacred Heart did not even take the field as the two Granite City baseball teams opened their Southwestern Illinois Inter-City League schedules yesterday.

The Mercers, after trailing the Troy Red Birds in the early innings at Wilson Park, came up with two runs in the seventh inning and six more in the eighth for an 11-6 triumph.

Only seven Sacred Heart players showed up for the team's opener with defending champion St. Clair. Heating at East St. Louis, and manager Dick Portell had to forfeit.

Portell plans a roster shuffle and expects to field a team next Sunday when the Hearts open at home against Troy. The Mercers are slated to play St. Clair at Jones Park.

In other Inter-City games yesterday, Pocahontas downed Maryville 11-8 and Collinsville topped Alhambra 10-6.

### Troy Takes Lead

Mercer starting pitcher Terry Kotahi got into a rocky start against Troy, walking five batters in the first inning. Those passes, combined with Charles

Jones' double, brought in three runs.

Manager Ollie Miller's locals scored a run in the second and Troy trailed once in the third inning. Then the Mercers got to work.

Alfery Smith's single, an error and three walks brought in two fifth-inning runs. Two more came home in the seventh on hits by Don Crabtree, Charles "Go-Go" Johannimeier, a sacrifice and two walks.

**Kotahi Walks 14**  
Six runs were scored in the eighth as the Mercers drilled seven hits, including Johannimeier's triple.

Johannimeier wound up with four hits, including two triples and three runs-batted-in. Crabtree had three singles and two RBIs, and Harland Schofield and Rich Branding had two singles each.

Kotahi gave up five hits, walked eight and chalked up 11 strikeouts. The four Troy pitchers notched a total of 13 strikes.

## Coolidge Fourth, GC Sops Sixth At Alton Relays

Granite City schools performed well, but East St. Louis teams took the championships in the annual freshmen-sophomore track relays Friday at Alton. For the first time, separate competition was held for both classes.

The high school sops finished sixth. Final standings were: East St. Louis 72, Alton 58 1/2, Wood River 37, St. Louis 30 1/2, East St. Louis Lincoln 27, Granite City 24 1/2, O'Fallon 16, Edwardsville 15, St. Louis Central 9, Cahokia 7, Carlinville 4, Roxana 3, Belleville 2, and Collinsville 0.

In the ninth grade competition, Coolidge was fourth and Prather eighth. Final standings were: East St. Louis Clark 89, Alton East 50, Cahokia 48, Coolidge 34 1/2, Alton West 26 1/2, Alton North 22, Roxana 17, Prather 11, Belleville 10 and Carlinville 5.

Dwain Bridges of GCHS won the pole vault at 11 feet and Dan Cox tied for third in the event. Leonard Revelle was second in the 100-yard dash and Larry Anderson tied for fifth in the high jump.

The sops' 440 relay team was fourth and the sprint medley team ran fifth.

Coolidge's Jimmy Gann won the shot put at 46-11 1/2 and unheralded teammate Burt Murray pulled a surprise by winning the pole vault at 9-6. Brian LaMoy tied for second in the vault.

The school also placed in six of the seven relay events—third in shuttle hurdle, fourth in the 880 and mile and fifth in the 440, two-mile and distance medley.

For Prather, Bill Davis and Dave Potts ran second and third in the 120-yard low hurdles and the 440 relay squad ran fourth.

## GC Netters Lose Second 5-0 Match

When the Granite City high school tennis team loses, it seems, it loses all the way. After seven victories opened the season, the Warriors lost their second and successive 5-0 decision Thursday at Edwardsville.

The Tigers, now 8-1 on the season, lost their only match to Belleville. The Maroons also defeated the Warriors and lead the Southwestern Conference.

Thursday's results:  
SINGLES—Ken Albrecht E over Rusty Tabern, 6-3, 6-3; Jeff Wohlford E over Neil Wolfe, 1-6, 6-3, 6-2; Tom White E over Bernie Holmes, 6-1, 6-2.  
DOUBLES—Terry Newbauer, Dave Brunner E over Jerry Walters, 6-3, 6-3; Brian LaMoy, 6-2, 6-2; Menzie Cliff-Spencer Moore E over Drew Karamanoff-Rich Blumhustek, 6-1, 6-0.

## District Tourney Awarded To GCHS

Granite City high school will be host to the district baseball tournament May 11-13, according to Dick Yates, athletic director. Four teams will be involved.

The first game at 4 p.m. Monday, May 11, matches Granite City and Madison. The next afternoon, Edwardsville plays a Roxana, with the championship slated May 13.

The champion can advance through the Edwardsville regional and the Staunton sectional to the state finals June 4-5 at Peoria. Granite City finished second in last year's state tourney.

## Coolidge Triumphs In Tennis Duel 4-1

Coolidge defeated visiting Edwardsville 4-1 Thursday in a junior high school tennis match.

Bob Malott and John VanBaskin were easy winners in singles for the Braves but William Harris lost a 7-5, 3-6, 6-4 decision.

In doubles, Curtis Green and Tom Green teamed to take a 6-2, 6-4 victory while Louis Drageh and Terry Waller downed their opponents 6-2, 3-6, 6-2.

In exhibition doubles for Coolidge, the duos of Terry Hendrickson-Jim Greve, Louis Melh-Stev Kovar and Herman Schermer-Peter Sabin won, David Jolly-Charles Barton lost and Steve Hamilton-Jeff Roetter split two sets.

## Teams Deadlock In Atom Playoff

Mexican Honorary Commission and Gitchett Agency, trying to settle a first-place tie in the YMCA soccer program's Atom Division, played to a scoreless tie yesterday at Coolidge junior high school.

Ruben Mendoza, league director, said the deadlock will not be played off and the two teams will share the title. Yesterday's games concluded the spring schedule.

In other games, Mike Wilson scored as the Bantam All-Stars defeated St. Thomas More of St. Louis and Bill Fulcher scored three goals as the Granite City Juniors downed the Midwest All-Stars 5-1. The Midgets had defeated St. Louis Kuts 3-0 Saturday.

Gitchett's Bantam Division entry downed Fairmont City 3-2 Saturday, knocking the losing team to third place and assuring Buzz's of second place.

Jimmy Forrester, Flip McGovern and Jeff Wortham scored for Gitchett with Joe Santen and Bob Spencer getting Fairmont City's goals.

## MHS Netters Take Two 3-2 Setbacks

Steadily improving, the Madison high school tennis team lost a pair of 3-2 setbacks late last week. The Trojans were beaten at home Thursday by Bethalto, 3-2, and on Friday at Western Military Academy, Alton, 3-2.

The losses brought the team's record to no wins, six defeats. Today's match with Granite City, originally slated for Madison, has been switched to GCHS. The results:

**BETHALTO 3, MADISON 2**  
SINGLES—John Summers M over Dave Gruenfelder, 6-2, 6-2; Tom Allen over Rich Masteller, 6-0, 6-1; Danny O'Neil E over Dave McClellan, 6-0, 6-3.

**DOUBLES**—Darrell Wright-Dale Andrews E over Frank Boyles-Tom Masteller, 6-4, 6-2; Tom Miller-Craig Krakowick M over Jeff Williams-Wilfong, 6-3, 6-3.

**WESTERN MILITARY 3, MADISON 2**  
SINGLES—Summers M over Jay VanPelt, 6-3, 2-6, 6-3; Menzie Williams WMA over Boyles, 1-6, 6-3; Krakowick M over Wally Erickson, 2-6, 8-6, 8-6.

**DOUBLES**—Joe Ab-Craig Barnes WMA over Tom Masteller-R. Masteller, 6-3, 6-3, 6-0; Bob Owens-Marshall Katz WMA over Bruce Tratts-Miller, 6-3, 6-3.

## Golfers Assigned To Belleville Meet

Granite City high school has been assigned to the Belleville golf district tournament on May 8 at Westhaven golf course.

Sixteen other schools are entered: Alton, Alton Marquette, Belleville, Carlinville, Centralia, Collinsville, East St. Louis, Assumption, Hillsboro, Lebanon, Litchfield, O'Fallon, Salem, Trenton, Weston, Vandalia, Wood River and Worden.

State finals are May 15-16 at the University of Illinois, Champaign.

## Meyer Takes Feature Race At Speedway

After being rained out the previous weekend, racing got underway Saturday night at Tri-City Speedway.

Bill Meyer won the super-modified feature race with W. Spalding finishing second and Barney Jones third in an unusually fast field.

In the semi-feature, Bud Purley drove home first. Heat winners were Gene Hanner, McBride, Purley and Spalding.

Hanner was the fastest qualifier, followed by Spalding and Meyer.

Ron King stole the thunder in the under-bumper race, winning two of the three heats and taking the feature. Harry Nichols was second.

There were 45 cars entered and only one flipped over in a relatively accident-free evening.

## Central Captures 8th Grade Quad; Coolidge Second

Central scored 60.0 points Friday to win an eighth grade quadrangular track meet at Granite City high school. Other point totals were Coolidge 42, Mascot 157 and Prather 117.

Winners for Central were Ray Kahn, who won the 100 yard dash in 11.6 and the 50 in 8.01 and Carl McDowell, who took the 220 in 26.2 and the broad jump at 16 feet, six inches.

In addition, both boys ran with Billy Yarbrough and Don Schwat on the winning 880 relay team. Other Central firsts were by Bob Mull, 45-2 in the 100, Donchwat, 4-10 in high jump, and Mike Ross, 11-3 in low hurdles.

Coolidge's Ron Sheppard took the 440 in 1:01 and Jim Crampton won the pole vault at 8-2. For Prather, Rich Timmons was second in the 220 and third in the 100. Coolidge won the 440 relay.

In the seventh grade division, Prather won with 47 points to Coolidge's 42 and Central's 37. Mascot did not compete.

Prather winners were Larry Purdie in the 440 and broad jump, Roger Belia in the shot put and discus, Tony Petrillo in the 220 and the 880 relay team.

For Coolidge, David Mullens won the hurdles and Richard Dean the pole vault. Central winners were Richard Shubert in the 100, Tom Rippey in high jump and the 440 relay team.

**Navy Recruits Joining 1964 Cardinal Companies**

A drive by the Navy to form special "1964 Cardinal Recruit Companies" is progressing well, according to Robert Lamb, local recruiter. The companies are being formed with the cooperation of the St. Louis Cardinals baseball club.

Deadline for applications to the companies is May 21. Sports-caster Harry Carey will be master of ceremonies for the enlistment program May 28 at Busch Stadium preceding the Cardinals-Giants game.

**New Basketball Coach Named At Bethalto High**

Jim Carey, a junior high school coach at Bethalto, has been named new head basketball coach at Bethalto Memorial high school there. It is his first high school assignment.

In five seasons at Tripple junior high school, his record was 27 wins, 21 losses. Civic Memorial competes against Madison and four other schools in the Midwestern Conference.

**Deadline For Softball**

Teams interested in joining the Granite City park district's Open, Church or High School slow-pitch softball leagues must notify the park office by Friday according to Harold Brown, director of parks and recreation. Other leagues are filled, he said. A managers' meeting will be held Tuesday night and the season opener will be May 18.

**Senior Team Sought**

A fourth baseball team for the Granite City park district's Senior Division is still being sought. The league is for players aged 17 through 21. All other divisions are filled, the park office announced.

**FIRST WINNER** of the new racing season at Tri-City Speedway Saturday night was Gene Hanner, who took the initial heat among super-modified cars. Hanner also was the fastest qualifier.

## Hiles Sets Mattoon Shot Mark

Joe Hiles of Granite City high school set a new record in the shot put Saturday as the Warriors finished seventh among 14 teams at the Mattoon Relays.

Hiles got off a heave of 54 feet nine inches to better the old mark of 52-1 set in 1962 by Ken Barnes of Decatur. He also finished fourth in discus at 147 feet but could not come near his record toss of 170-11 1/2 in last year's relays.

In a special 100-yard dash, the

"big boy 100" for athletes of 200 pounds or more, Hiles ran fifth.

The Warriors' Ardell Blind fourth in the high hurdles. Leonard Revelle finished third in the sophomore 100 and fifth in the soph 220.

A foursome of Leo Nighoshian, Lee Cooper, George Williams and Leonard Revelle ran fourth in the sophomore 880 relay.

Champion finished first with 65 points, followed by Decatur McArthur with 57 1/2 and Dan-

ville 52. The seventh-place Warriors scored 16 points.

The tough competition was typified when Granite City's Elton Hall posted a 2:36, bettering his previous best 880 time by two seconds, and did not even place.

On the negative side, sophomore Duane Bridges suffered an injury to the right foot while trying for the 15-foot mark in the pole vault. Whether it is a bad bruise or a fracture is not known yet, coach Jim Morrison said.

## 'Y' Dominates Own Judo Tournament; Middleton Outstanding, Fuchs Honored

Mike Middleton, a 15-year-old Coolidge junior high school student, was named the outstanding judoka as the Granite City YMCA dominated its own sixth annual judo tournament, here Sunday.

Middleton entered the 160-180-pound adult group and, despite being hampered by a severe knee injury, took second place.

Granite City won 15 of 45 trophies presented. The meet attracted several officials from the Chicago Yutanshakai, governing body for the Midwest.

Leonard Fuchs, president of the YMCA Judo club, received the Wallace Barr memorial trophy for his efforts in promoting judo in the Quad-City area. He also received a clock trophy from members of the local club.

The winners, in order of finish, included:

Under 8 — John Jarvis, John Pruitt, Larry Lanter, 8-10 lightweight — Leonard Fuchs, Ken Fukuyama, Joe Parise, 8-10 heavyweight — Steve Cohen, Marc Soule, Robert Springer.

11-12 lightweight — Jim McGovern, Louis Clay, Henry Sutton, 13-14 heavyweight — Irvin Choben, Dennis Fukuyama, Rodney Morinaka, 13-14 — Jeff Green, Tom Casper, Tracy Oishi, under 13 (girls) — Cheri Fuchs, Gale Fells, DeAnn Creek; over 13 (girls) — Karen Calvert, Toni Fuchs, Cathy Wood.

15-16 lightweight — Jim Ishler, Jim Kikuchi, Bob Copanas, White Belt: Under 140 pounds — Leonard Fuchs, Bob Bell, Maurice Sims; 140-160 — Mike Vasiloff, Bill Pearson, John Hamilton; 160-180 — Bill Perry, Mike Middleton, Bob Cepner.

Adult Belt: Under 180 — Mike Jacoby, Norman Gantz, Clifford Kabamoto; over 180 — Sam Fazio, Charles Wilgen, Lew Clark. Contestants from four states entered the tourney. YMCA officials termed it a great success.

**PLAN PROGRAM**

**FOR MOTHER'S DAY**  
Mrs. Elizabeth Malincheff, 1611 Poplar Street, was hostess Thursday afternoon to Macedonian Bulgarian Ladies' Aid Society committee members.

Refreshments followed a business session. Plans were made to have a committee of four organizations meet at Mrs. Navenka Kacaleff's home Monday to make final plans for a Mother's Day program May 13.

Mrs. Paraskeva Tarpoft provided and Mrs. Kacaleff read a letter received from Cong. Melvin Price in regard to Mr. and Mrs. Antonio Tito, who hope to remain in this country. The club's letter had responded to the members' interest in the Tito's case.

There will be a meeting in the recreation hall May 6 following the church services, in observance of St. George's Day.

Mrs. Tarpoft presented Mrs. Malincheff with a gift from the committee members for her new home.

Present were Mesdames Tarpoft, Dena Landoft, Kacaleff, Velieta Paraskeva, Mary Andon, Espasie Efimoff, Toma Kirchoff and Helen Hinterer.

**FIFTH BIRTHDAY**

Mr. and Mrs. Jordan Rapoff, 1940 Olive Street, honored their son, Christopher Andrew, with a party on his fifth birthday Saturday afternoon and evening.

A large birthday cake decorated with Mickey Mouse served as centerpiece. The same mouse theme was used throughout, and each place setting had horns, hats and candy favors.

A variety of games was played, and prizes were awarded to Kelly Twellman, Vicky Petrillo and David Rapoff. The honoree received many gifts from relatives and friends.

Mrs. Ruth Rapoff served the guests hot dogs, cake and ice cream.

Guests were Vicky Petrillo, Tony Petrillo, Madeline Petrillo, Cheryl Vaughn, Kimberly Adell, Danny David and Julie Mendola, Nancy Rapoff, David Rapoff, Kelly Twellman, Vicky, Tommy and Christina Sierle, Mrs. David Petrillo, Mrs. Louise Vaughn, Mrs. Dorothy Odell, Mrs. Ruben Mendola and the honoree's grandparents, Mr. and Mrs. R. C. Stuart and Mr. and Mrs. Tony Rapoff.

Kater in the evening, barbeque was given on the back lawn, celebrating the birthday.

**Man Waives Extradition, Granted Probation Here**

Paul R. Staten, 21, of Alabama, who had been listed as a fugitive by the Madison county circuit court, has been given probation after pleading guilty to a service station burglary in Granite City about a year ago.

He was scheduled for trial last Sept. 23 but told authorities he was unaware of an indictment returned against him until recently and waived extradition to Illinois. The state's attorney's office had no objection to the probation and he was to return to his home in Alabama under a \$1000 bond. His probation is to be supervised by Alabama authorities.

**Mrs. Hanfelder Installed**

Mrs. Ida Hanfelder, Rural Route One, founded the Mitchell school PTA, was installed as district director for District 29 of the Illinois Congress of Parents and Teachers during the state convention which ended Saturday at Chicago.

**Madison Avenue Accident**

A car driven by Rose K. Hiker, 21, of 2607 Jerden Avenue skidded into the rear of an auto operated by Anton Burich, 61, of 1424 Grand avenue, after she applied her brakes. Both cars were northbound on Madison avenue at Niedringhaus avenue at 1:45 p.m. Friday.

(Continued from page 1.)

open-web straight-chord joist except that it will be 50 to 70 feet long, substantially longer than the current line.

The new joist will be deeper, as well, resulting in even greater load-bearing capacity. And the joist components will be larger.

Angles will be 2 1/2 inches by 2 1/2 inches, compared to normal size of 1 1/2 inches by 1 1/2 inches. Maximum distance between weld points of web-to-chord angle will be 51 inches, compared to 24 inches.

**Warehouse Expansion**

Even without the new production of this joist on the planned 300-foot production line, the Madison plant's joist capacity would be greater than ever. The new joist building already houses one more line (four) than the old production facility was able to accommodate. The old joist building is being taken over by an expanded warehouse department.

Diversification in the joist line is further attained by a paint line that colors joists in basic hues to the customer's specifications.

This allows architects to use exposed joists—adding to the functional beauty of many modern buildings. The company's Alton credit union building, located on Broadway in Alton, is such a case of a "painted blue" color.

In fact, all Madison products are produced to a customer's specifications, it was pointed out. Very few "stock" products are turned out for general inventory. In the joist line, for instance, hundreds of selections are available in length, depth and strength of joist, as well as quantity.

**Reinforcing Bars, Spirals**  
Other construction products manufactured at Madison include reinforcing bars which are fabricated to any specification, and unique steel spirals which fold flat for easy shipping.

Spirals are rolled from high-strength rods or Laclede's patented deformed wire, which is practically applicable to the most construction of "high rise" city's letter had responded to the members' interest in the Tito's case.

There will be a meeting in the recreation hall May 6 following the church services, in observance of St. George's Day.

owned independent steel company, destined to become an important producer in the Mississippi Valley, was well established.

With the acquisition of the mill at Alton, the company instituted a policy of product diversification which has continued through the years and has permitted Laclede to avoid much of the general economic downturn which has occurred during the past 50 years.

The company's two plants at Alton and Madison account for about 20% of all steel production in the Mississippi Valley, and are the major sources of tubing, pipe and wire as well as bars and joists for the area.

The company operates a water terminal above the locks at Alton, handling large tonnages of both inbound shipments of raw material and supplies and outbound shipments of finished steel products.

**Five Fabricating Plants**

The company also has five outlying fabricating plants located at Dallas and Beaumont, Tex., Memphis, Tenn., New Orleans, La., and Tampa, Fla. All of these locations except Dallas are served by barges.

Because of the location of these plants in the south, they can work throughout the winter. Since construction projects continue in the south through most of the winter months, the Madison plant operates practically on a year-around basis.

The plant has naturally helped in maintaining a uniform employment rate which would be impossible without the southern plants, the spokesman concluded.

The new joist building at the Alton plant is a constructed of structural steel with corrugated steel siding. As mentioned, it will house five joist lines, three of them transplanted from the old joist building and two newly constructed. It consists of two 17' sections with a narrow center or connecting building.

**May Add Sixth Line**

The center section will contain the five joist lines, with space allotted for possible addition of a sixth line. Space also is provided in the center section for joist accessory facilities.

Flow of production in the building sections is from east to west, reversing the order of flow of the old joist building.

The east wing of the new building contains space for angle stock storage; cleaning, shearing and angle straightening equipment; angle web laydown, web bending machines, and coil storage and cold-forming mills.

The west wing, or product discharge area of the building, provides space for field welding, painted joist storage and bridging, joist bracing and angle straightening equipment; angle web laydown, web bending machines, and coil storage and cold-forming mills.

## Variety of Topics For Tonight's GC Council Session

Fluoridation, house paint discoloration in East Granite and curtailment of bus service on the East Granite route are expected to be among topics to be brought up at tonight's Granite City council session at 8 o'clock.

Alderman Carter Skubsh, who was unable to get the floor at last Monday's meeting due to lengthy discussions and an end to the meeting at 11 p.m., said he plans to bring the issues up this evening.

of water fluoridation, because I was on the prevailing side which blocked it over a year ago," the alderman said.

The council also may have available the resolution ordered last week designating the local firm of Sheppard, Morgan & Schwaab as motor fuel tax project engineers. The city has been without an engineer since February.

Also pending is the hiring of a city engineer. Several applications are being studied, but the council has not yet worked out an outline of duties and the pay for the position.

Alderman Charles Moerlein is expected to report further on the progress toward construction of a sewage treatment plant.

The Special Pollution Study committee is preparing to apply for a \$514,000 federal grant toward the construction cost and to determine the process for sale of the authorized \$175,000 revenue bond issue. To be determined is how the bond sale can be arranged before the July 1 deadline and allow for a federal grant to reduce the bond amount.

The committee also is continuing its meetings with representatives of industries to determine the amounts of sewage that will require treatment. This work is preparatory to setting monthly rental charges.

### Optimists Hear Talk On Scholarship Fund

Miss Selma Nelson, a member of the Granite City Scholarship Foundation board, was speaker at Thursday's luncheon meeting of the Optimist Club and told of the growing need for added funds to provide scholarships for needy high school graduates.

She was introduced by M. A. Witternong, program chairman, and spoke to 44 members, who were gathered at the YMCA.

Miss Nelson outlined the development of the Scholarship Foundation and how it provides scholarships for about 30 college students each year. This year the foundation's screening committee has over 100 applicants and is considering the new oficer installation will be held in June at Tony's restaurant.

Herman Mueller will be program chairman next Thursday, and Dr. Leo Coleman, local dentist, is to be the speaker. It also was announced that the new oficer installation will be held in June at Tony's restaurant.

Robert Brave is president-elect.

### PROCLAMATION

WHEREAS, in honor of the Tri-Cities Community Concerts Association, the week of April 27th-May 2, 1964 has been designated as Community Concerts Campaign Week; and

WHEREAS, Community Concerts is a non-profit organization which is determined to make available to its citizenry the opportunity to attend live concerts by well known artists and groups of artists at various times throughout the year; and

WHEREAS, it is the desire of the Community Concerts Association to create a program of cultural education and musical entertainment in the Tri-Cities and surrounding area; and

WHEREAS, the growth of the United States has been phenomenal, placing us among the leaders of the world, it is essential that recognition be given them.

## Sen. Douglas Wants U.S. to Build Mint in Illinois

Senator Paul H. Douglas (D-Ill.) announced this week that he will introduce a bill to authorize construction in Illinois of a third U.S. Mint.

In announcing his decision to introduce the bill, Douglas said: "Recent studies by the Banking and Currency committees and a private consulting firm show a tremendous need for the increased minting of U.S. coins. Over four billion coins are to be minted during the current fiscal year, but we will need an annual production of at least 5.1 billion by 1970, 7.0 billion by 1975, 9.6 billion by 1980 and 17.8 billion by 1990. Even these estimates may be far too conservative.

"To mint the 4.1 billion coins needed this year, the two existing coinage mints at Philadelphia and Denver must operate virtually 24 hours a day, seven days a week.

"Legislation passed last year authorized appropriations which will be used to expand present facilities or replace inadequate existing ones at the Philadelphia Mint. But it is clear that even with expansion and nearly full-time operation of the Denver and Philadelphia mints we will run far behind the rapidly growing demand for coins. The extraordinary demand for more and more coins is not simply a result of general economic growth and population increase, but is due also to technological developments and cultural changes such as use of coin-operated vending machines and increased leisure time and recreational activities.

"Illinois is the center of the great midwestern commercial area, and I have received strong protests from area businessmen that the supply of coins is inadequate. Location of the third mint in Illinois would help to make certain that the Midwest has an adequate supply of coins and would permit economies in distribution costs.

"I urge the Public Works Committee and the Treasury Department to plan now for construction in Illinois of the third mint.

### Veeder Reports On Improvements At GC Steel Co.

A report on production improvements at Granite City Steel Co. was given Thursday afternoon in New York City by Nicholas P. Veeder, chairman of the board and president of Granite City Steel Co., in a talk before the New York Society of Security Analysts, Inc.

Veeder said he was optimistic about the future for the local firm with 5000 employees who are "putting more effort and more care into their individual jobs."

"I have always had an idea that a compact, single-plant steel company could handle certain problems more effectively than a big company with separate steel plants to worry about. We are closer to our employees."

"My theory got a strenuous workout a few months ago. We had straightened out our worst problems and our performance was improving, but not fast enough. We finally decided to take our story straight to our employees with five meetings a day in a cafeteria where our plant with 150 to 200 persons at a time. When it was over, I had talked to 55% of the men and women employees."

Two Problems  
"Every meeting had two broad subjects. One was current problems. We could not go on at our 1963 level of earnings and support the heavy capital expenditures that Granite City Steel requires to continue as a successful business."

Rock Hits Man On Head  
Grant Dawson, 28, of 2512 Lincoln avenue, reported that he was hit on the head by a rock thrown by an unknown person while he was walking along the street Thursday. He received treatment at St. Elizabeth Hospital for two cuts.

Local Plant's Position  
"Granite City Steel is a middle-sized company in a big-volume, heavy-capital business—the manufacturing of flat rolled steel. Plates, sheets and other flat rolled products have about 55% of the total market for steel in the United States."

The company's president stressed that the general economy outlook is promising and that the second quarter shipments of the steel industry will be about 5% ahead of those of the first quarter. "Full year shipments," he added, "are expected to match the rate in 1957—the third best year in steel industry history."

"As for Granite City Steel, we expect to get our share of the business this year and for many years to come."

The local plant, he explained, is one of 15 steel companies which annually produce more than 1,000,000 tons of ingot steel. "We have concentrated our efforts during the last four years on doing as good a job as we could in the often weak market of that period, while investing a lot of capital in plant improvements."

Local capital expenditures in 1960 and 1961, combined, came to about \$46 million. We added \$21 million in 1962 and 1963, rounding out a program aimed at two main objectives—reduce costs in the conversion of raw materials and to strengthen our marketing position with major additions to the finishing departments that produce galvanized sheets and tin plate.

Individual farmers and rural residents with water problems can team up to obtain a loan for developing a good water supply and distributing the water to their farms and homes.

The construction of modern water supply systems makes rural communities more attractive, encourages the growth of rural industries and, while investing in raw materials and to strengthen our marketing position with major additions to the finishing departments that produce galvanized sheets and tin plate.

Water development and soil conservation loans may be used to finance water supply reservoirs, rural water supply distribution systems, pump, pumping plants, pipelines and other facilities necessary for an adequate water system.

These loans may also be made to develop or improve soil conserving measures and for shifts in land use to grazing, forestry and recreational purposes.

The agency also has authority to make low-interest-rate, long-term watershed loans to organizations sponsoring plans to protect, develop and utilize the land and water resources in small watersheds encompassing areas up to 250,000 acres.

An organization desiring to obtain an association loan or individual loan should contact the nearest office of the Farmers Home Administration, or up to \$300,000, if made from direct funds appropriated by the Congress.

### Fiesta of Music' Tonight

The 12th annual membership drive by the Tri-Cities Community Concerts Association begins today with the opening of the campaign headquarters in the lobby of the YMCA and a special attraction this evening—"Fiesta of Music"—for this year's ticket holders and any 1964-65 members who have purchased the \$7 adult memberships in advance.

Mrs. John E. Lee, association president, said the campaign headquarters is being staffed by Mrs. Terry Francis, membership chairman, and other volunteers, and it will be open throughout the week. Over one hundred volunteer workers are participating in the campaign.

"This year," Mrs. Lee said, "we are endeavoring to sign up 1000 members, and as a special attraction for the 1964-65 season we will present the 'Fiesta of Music' by Carmen Cavallaro in addition to other artists yet to be selected."

Concert May 5  
The current season's final concert on May 5 at Granite City high school will feature the appearance of Philippe Entremont, also a pianist. Any new members who wish to attend this concert, Mrs. Lee explained.

Mrs. Francis is being aided in her membership campaign schedule by all the officers of the association, including Wilbur Jack Johnson, vice-president; Mrs. Charles Kohl, secretary; Mrs. Austin Lewis is publicity street.

Decorations for the fiesta will be in a waterfront cafe theme, tonight's "Fiesta of Music" to be designed by Eugene Alaisi, art held at 8 o'clock in the park district director for the Granite City Tri-Cities Community Center, 12nd school system.

**North Granite Accident**

The left front bumper and fender of a car driven by Carl B. Fitzhugh, 35, of 3036 Circle drive, and the right side of an auto operated by William O. McGuire, 36, of 1605 Kirkpatrick Homes, were damaged in a collision at 8:40 a.m. Friday at Circle and Nanticoke drives. Police said McGuire was making a left turn.

**Cerebral Palsy Group Plans Training Class**

Parents of pre-schoolage handicapped children are being asked to attend a meeting of the Madison county cerebral palsy foundation May 5 at the Lewis and Clark restaurant, East Alton, to lay the groundwork for creation of a school in the county for these pre-school children. Mrs. Jannetta Garrison, of Granite City, who has a three-year-old daughter with cerebral palsy, said, "We hope to set up a board for the school at this meeting. The board will then be able to go to the United Fund for some financial help and if we make the school a county-wide project, we'll be eligible for state funds."

She stated, "The purpose of such a school is to keep these children from having needless delay after they start to school. Sometimes they remain in kindergarten two or three years, which wouldn't have to do if we can get an early-age training school started."

**Cars On Tracks Collide**

Street car tracks in the middle of the 1400 block of Madison avenue were blamed for an auto accident involving Norville E. Baker, 21, of 805 Fair Oaks drive,

and William J. Huckle, 47, of 1805 Edwardsville road, at 7:35 a.m. Friday. Baker's car skidded and struck the left side of Huckle's '63' auto. Both vehicles were damaged.

Stokinger, escort interpreter, and Capt. Robert W. Bauchspies, local escort.

**SWIU Prof. Seymour To Address Appraisers**

Development of the Quad-Cities-Edwardsville campus of Northwestern Illinois University will be the topic of an address by Virgil L. Seymour, assistant to the vice-president for operations at the university, who will be guest speaker at a dinner-meeting of the Society of Real Estate Appraisers, Southern Illinois chapter, May 6 at Augustine's restaurant, Belleville. Seymour, who will stress the economic impact of the new campus on this area, previously served as the supervisor of the evening college and adult education, East St. Louis center, and as an assistant to the vice-president in charge of the general office, East St. Louis center, of the university.

International president of the society, Fred O'Donnell, Westfield, Mass., also will be a guest at the dinner, according to D. F. Little, executive vice-president of State Loan and Savings Association and program chairman.

**Robert Harris Assisting Kodiak in Recovery**

Robert C. Harris, airman apprentice, USSN, son of Mr. Nelson W. Harris of 2618 Lincoln avenue, is assisting Kodiak, Alaska, in recovery operations while serving aboard the sea-plane tender, USS Salsbury Sound operating out of Whidbey Island, Wash. The crew members assisted in cleaning a power plant, operating heating boilers and repairing electrical and electronic equipment damaged during the Alaskan tidal wave.

**K. Of C. May Day Parade Set Sunday At Highland**

The Madison county chapter of the Knights of Columbus will hold its annual May Day parade at 1:30 p.m. Sunday at Highland.

Members of the Tri-Cities K. of C. council are preparing plans and were instructed to report to the K. of C. hall in Highland for preparations to march in the "Living Rosary" segments of the parade.

The parade route will be limited but will extend to St. Paul's high school for outdoor services. It was announced at a local council meeting Thursday night. In the event of rain, the services will be held in the high school gym.

The parade is held annually in the county in honor of the mother of God, "queen of peace," and constitutes a prayer for peace.

During the meeting here it was announced that the first degree of the order will be conferred on May 14 and the second and third degrees on May 24. Members were invited to the annual county chapter spelling bee to be held at 8 p.m. Thursday at the Alton K. of C. home.

Representing the local council will be Richard Wenner, St. Elizabeth school student, and Vicki Schodowski of St. Mark's school. They are the winner and runner-up of the Quad-City spelling bee held on April 19.

The council was invited to a Pope John memorial dinner May 17 at Chicago to benefit the Pope John Catholic University in the Far East. The council contributed \$100.

Leo F. Tierney of Chicago, the chairman, has sent letters to all Illinois lawyers urging their support. Among his reasons, Tierney cited Clark's "pioneer" in the fields of consumer fraud and charitable solicitations.

**Lawyers Urge Re-election Of State Attorney General**

The formation of a "Committee of Fifty" attorneys from throughout Illinois has been announced by lawyers favoring the re-election of Atty Gen. William G. Clark. It was announced this week by Atty. Horace C. Cato.

Clark, the chairman, has sent letters to all Illinois lawyers urging their support. Among his reasons, Tierney cited Clark's "pioneer" in the fields of consumer fraud and charitable solicitations.

**Karen Brown Initiated By Scholastic Honorary**

Karen E. Brown, 2408 Grand avenue, has been initiated by Alpha Lambda Delta, national freshman women's scholastic honorary at the University of Illinois.

Founded at the university in 1924, the honorary honors freshmen with a B-plus or better grade point average for their first semester or entire first school year.

**24th-Iowa Accident**

Cars driven by Neil Stewart, 44, of 2108 East 24th street, and Janice M. Johannigmer, 21, of 4 Country Court lane, collided at 7:35 a.m. Friday at 24th and Iowa streets as Stewart pulled away from a stop sign on 24th street. The other car was headed south on Iowa.

**Selected Cheer Leader**

Miss Judy Ann Friedman was selected cheer leader for the University City high school. She is the daughter of Mr. and Mrs. Jack Friedman, former residents of Granite City who are now residing in University City. Miss Friedman is a sophomore.

**Mrs. Dant To Attend National Demo Meet**

Mrs. Ida Dant of Madison, state Democratic central committeewoman, will be among Democratic women leaders from every state in the union to honor the memory of Mrs. Eleanor Roosevelt at a luncheon to be held during the 1964 campaign conference for Democratic women which opens Friday in Washington, D. C.

She will be accompanied by Mrs. Irma Leo of Mt. Vernon, state chairlady; Mrs. Josephine Krause, Madison county chairlady; and Mrs. Mary Jean Ring, St. Clair county chairlady. They will leave by train on Thursday.

Theme of a luncheon on Saturday will be built around Mrs. Roosevelt's last book, "Tomorrow Is Now." Distinguished Democratic women in public service will be spotlighted during the program. The theme of the luncheon will be "Time Table for Victory" with delegates planning political activities for each month from now until the November elections.

MRS. KASBERG HOSTESS  
TO PRESENTERS WOMEN  
Mrs. Lena Kasberg, who entertained United Presbyterian Women of the Namecki Presbyterian Church, Thursday afternoon in her home, 4121 Kasberg lane.

The hostess served a dessert luncheon, followed by the business meeting conducted by the circle chairman, Mrs. Louise Anderson. Department reports were given by the key women, Mrs. Joan Kasberg, program, Mrs. Betty Flynn, world service, and Mrs. Mary Key Stegle, fellowship. Missionary names of the day were read and prayer was offered in their behalf by Mrs. Erna Tucker.

Bible study for the meeting was entitled "Mature in Christ, Taken from the study book, 'Be What You Are.' It was given by Mrs. Adele Gregory.

Others present were Mesdames Mildred Pleenor, Wilma Mitchell, Virginia Anderson, Edith Simpson, Carolyn Stearns, Elizabeth Tiller, and Ruth Wilson.

Next regular meeting will be held in the home of Mrs. Alta Stewart, 2201 Lynch avenue, May 28.

## BOWLING FOR OF ALTAR SOCIETY

A film on bowling was the topic of a regular meeting of the St. Elizabeth Altar Society Wednesday evening at the school cafeteria. Mr. and Mrs. Jack J. Jachino of Bowland, Pa., showed the film and spoke on the subject.

Mrs. Ann Pare, president, conducted the business meeting, with 35 members present. Reports were submitted by Mrs. Helen Fayer and Mrs. Mary North.

The president made the following announcements: The school picnic is planned for May 21. The mothers may order school uniforms for the next school year May 15 at the school. On May 3, a Communion breakfast will be held in the cafeteria, with Mrs. Gabrielle Betine as guest speaker, and a festival will be held May 24.

The membership voted to join with five other parishes in purchase of a machine to test school children's eyes.

Mrs. Katherine Leik was awarded the "angel of the month" and the evening's prize went to Mrs. Frances Berry.

Sister Mary Gabriel was given the award for the largest number of parents attending the meeting.

Mrs. Julia Lancaster read a prayer for those with birthdays in April. Next regular meeting will be held May 27.

**APRIL 28, 1914**  
Rev. M. H. Evers, pastor, and the congregation are planning a week-long celebration to dedicate the new church building of the Ewing Avenue M. E. Church in Madison.

Professor W. F. Coolidge, principal of the new Granite City high school, has written President Wilson volunteering his services in the event his aid is needed in the war against Mexico. He served during the Spanish-American war as captain of Company C, Sixth Illinois Regiment, and had active service in the Philippines.

The professor believes that the war with Mexico will reach proportions serious enough to warrant a call for at least 100,000 soldiers.

Arrests are planned to curb the practice of young boys breaking the glass in police call boxes and turning in calls from various parts of Granite City. Several such calls are being received each day.

Supt. L. P. Frohardt of the Granite City public schools was

re-elected to serve in his present capacity for another term, his last, at a meeting of the board of education held at the city hall.

C. H. Dodge, who until recently was manager of the Washington theatre, plans construction of a new theatre to be opened in the city. The new theatre is to be located on 19th street. It will have a seating capacity of 1250, the air being heated by gas.

One of the most elaborate performances ever staged in the comic opera, "The Captain of Plymouth," at the Granite City high school auditorium Thursday and Friday nights. Over 100 pupils of Emerson school participated, and principal actors were Miss Bessie Morgan, Albert Busch and Miss Anna Robertson.

An epidemic of measles has caused the closing of several schools and threatens several other children in West Granite.

## 25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record

**THURSDAY, APRIL 27, 1939**

The first of a half-dozen parking lots in the downtown district will be completed and ready for use next week. Mayor M. E. Kirkpatrick said today.

The lot adjoining the Washington Theatre and owned by the amusement company it has been leased to the city for 10 years at \$1 per year, and the vacant lots have been similarly secured.

The 1939 Tri-Cities campaign in behalf of the United Jewish Appeal for Refugees and Overseas Needs will be launched at a dinner tonight at the United Hebrew Temple in Madison. It was announced by Joseph E. Moore, campaign chairman.

Principal speaker at the dinner will be S. P. Peterson, who has been engaged in humanitarian work. His career has carried him to almost every country of the world.

Installation of a pipe organ in the new Third Baptist Church has been completed, and the first service will be held Sunday, with Dr. W. L. S. Peterson, pastor, occupying the pulpit.

Pastor of the church is Rev. H. R. Moore, who said Dr. Sisk will conduct a two-week revival, with Dr. S. P. Peterson as the subject.

The Job's Daughters Mothers' club met Tuesday at the Masonic Temple.

Hostesses for the afternoon were Mrs. August Rydberg and Mrs. J. E. Neff. After a brief business session, with Mrs. J. C. Sullivan, president in charge, the members were entertained at cards and Chinese checkers.

Mrs. Gordon Young, 1200 Twenty-seventh street, entertained guests at two parties during this week. Both parties took place at the Young home, the first on Wednesday, and the second taking place this afternoon.

Mrs. Oma Duncan and son, Herbert, 2401 Madison avenue, entertained at dinner Tuesday evening. Mrs. Hazel Dagley, Hastings, Rola, Mo.

Mr. and Mrs. Walter Ende were hosts to their card club, the T.H.C., Monday night in their home on Delmar avenue. All of the members were

Annual Medical Examinations

Remain Extremely Important

The current month, Cancer Control Month, ever staged in the past for annual health examinations and continual awareness of the potential danger signals. The illness usually starts quietly and spreads without pain; yet, early diagnosis still affords the best chance of recovery.

Forty-eight million Americans now alive, one-fourth of the population, will develop cancer if present rates continue. However, treatment procedures already known can save one out of three, through increased emphasis on prompt detection. And research efforts have raised the hope that the disease can be conquered in our lifetime, through development of a preventive vaccine or an outright cure.

No Moves For Economy On Board

Officers' Pay In Two Districts

It is unfortunate that the Venice and Madison school boards have seen fit to continue their unnecessarily high secretary salaries for yet another year.

The Madison board secretary is paid \$75, the Venice secretary \$125 a month. The salaries of both districts reach \$100 monthly. As has been brought out in the past, such salaries are much higher than those of many other school districts and appear to be excessive in view of the amount of work involved.

Its tax rate at the authorized limit, the Madison school district has found that "no funds are available" for employee salary increases. The Venice district, although at a lower rate, is also in a similar position. It is considering a building program that would place a large burden on its finances.

With these factors considered, economy moves related to board officers' pay would have been timely this spring.

Capsule Vacation—Play

Host To Visiting Family

"Travel is broadening" has taken on humorous overtones due to the penchant of vacationing families to visit restaurants and consume the delicacies of the region being visited.

But acquaintance with other areas or nations and their residents does add knowledge and perspective, and somewhat the same insight can be acquired by playing host to persons vacationing here. A case in point is the visit to the Kaseberg family this month by an Argentine couple making their first sightseeing tour of the United States.

Denmark has a service that regularly pairs up traveling residents who have similar vocations or interests. The Danish family is rewarded for its luncheon or dinner not in money but in the opportunity to exchange views with congenial persons from the other side of the world. Guests, in return, get a chance to converse with "real people" rather than tour guides or hotel clerks.

Perhaps a similar visiting program could be devised for this area, which currently is seeking to promote a capsule vacation program. Visitors might begin to wonder why the world is beset with so many tensions and problems, when they learn first hand that people everywhere have much in common.

Year-Around School Offers Pioneering Opportunity

Data assembled on year-around school as it might be incorporated in Illinois pinpoints advantages and disadvantages offered by individuals with differing viewpoints.

Some literature on the subject confuses the staggered vacation plan with another type of "all-year school," in which the term is extended to mean enriching the curriculum and volume of instruction, with 18-month or 19-month terms for all pupils. Another type is exemplified by Illinois' Parent-Teachers' school, which has histories of enrichment in in-service training of the staffs during summer months.

But the accepted definition of year-around school is a school year in a school year of four to five quarters, each quarter and one-fourth of the pupils are out of school. The plan is applicable to elementary and secondary schools.

Those who advocate the introduction of year-around school as a point out: That it would relieve overcrowding in schools currently operating on a year-around basis. That the three months of the year when school buildings are idle represent great waste of facilities and money.

Those against year-around school say building repairs, maintenance, painting and cleaning would be complicated and might cause interruptions in the normal school year. They also say that the plan might "disrupt normal family life" and "disrupt normal vacation periods."

PAYMENTS FOR HIGHWAY RIGHT-OF-WAY TOO LOW

To the Editor:  
It's finally going to happen. Namekook road is going to be widened, but beware.

We know we can't stand in the way to block a state highway. But what a price the home owners along Namekook road must pay.

Regardless, if they have to give up one foot or ten foot of their property, they don't get a fair price compared to the loss of their valuable property.

Look at what happened along 20th street. The highway is just about under the people's windows. The sidewalks are narrow, with trees and posts partially blocking them. It has become a race track, and very dangerous.

What if Namekook road is like that? It may become the same way.

It seems that if you own property someone is always trying to take it away from you. This is supposed to be a free country. I don't believe it.

If the city isn't trying to take your property, it's the state's fault. A person can't buy property nowadays and hand it down to his children when he dies. Someone has to take it away.

PROTEST SCHEDULED

AGREES WITH LETTER

To the Editor:  
The Post Office Department in Washington, D. C. has issued instructions to postmasters in 1st, 2nd and 3rd-class offices in the U. S. to put into effect certain changes effective May 4. Purpose of the changes is to reduce employment and cut costs in the service of mail carriers.

Window services in all of the above classes of post offices will be open to handle parcels six days a week as follows:

1. Only one consolidated window will be open to handle parcels and stamps on Saturdays.

2. Money orders will not be sold and all money order windows will be closed on Saturdays.

3. All postal savings banks will be suspended on Saturdays.

Perhaps one of the bigger curbs will be the effect on delivery of mail. This will be provided on a five-day basis, with no delivery on the sixth day. This means that you will not receive your parcels six days a week in the past, but only on a weekly or five-day basis.

As everyone knows, in January 1963 postage on first-class mail was increased along with other classes in the post office. This has caused the public has to pay higher postage rates and then in return receive less postage. Ask the Post Office Department, because the average private citizen cannot afford to pay it.

The above mentioned curbs in service will affect everyone who uses the post office today. They will especially affect a large number of the business establishments in the United States. They will reduce the amount of money being spent on the area and affect the United States, due to the reduction of employees in the postal service.

At this time, the members of committees will report on the progress they have made in recruiting new members among the business community. I added that each member was assigned two prospective members to contact.

At a meeting of the Ambassadors to Meet At C. of Office

A meeting of the Ambassadors, the Tri-Cities Chamber of Commerce's nonexclusive relationship committee, is scheduled at 3:30 p.m. Wednesday in the conference room at the Chamber office, according to Charles L. Gavin, chairman.

At this time, the members of committees will report on the progress they have made in recruiting new members among the business community. I added that each member was assigned two prospective members to contact.

## Floyd Hawk, 36, Dies, Lifetime GC Resident

## Daylight Time Memories Recalled

Yesterday brought memories to the Frank Barth family, 3229 Carlson avenue, when the change to daylight saving time was made without incident. But a year ago, the changeover proved hectic.

Mrs. Barth said last year her husband was working the 4 p.m. to midnight shift, and when she decided to go to bed that Saturday night, she went around the house advancing clocks an hour.

Her husband returned home and after bathing and reading the newspaper, he also went around and advanced each clock an hour.

"Sunday morning found us all mumbling and grumbling, but then we discovered what happened and all of us had a good laugh," she explained. Signals this year were doubtless checked to prevent the double advance.

"Sunday morning found us involved were bound over to the grand jury.

## Aloys Pierce, 46, Dies Suddenly On Saturday

Aloys (Alois) Pierce, 46, of Rural Route One, was dead on arrival at 11 p.m. Saturday at St. Elizabeth Hospital. Mr. Pierce was rushed to the hospital after becoming ill at home. He had been ill three years with a heart condition.

A four-year resident of Granite City, Mr. Pierce moved here from Collinsville where he lived 11 years. He was born in Marathon, Wis.

He worked at Granite City Steel Co. 17 years as a millwright. Mr. Pierce is survived by his wife, Mary; two sons, Bruce and Scott; a daughter, Jacqueline; a sister, Miss Gayle Pierce, St. Louis, and a brother, Jack Williams, Perion, Ill.

# Laclede Plant Expanding Its Joist Production

**TOP LEFT**—New Laclede Steel Co. joist building in Madison. Four production lines now in service are shown; a fifth line will be installed at the left of the picture this summer.

**TOP RIGHT**—Sparks fly as a workman welds steel angles to bent bars to make "bearing ends" of construction joists.

**RIGHT**—Special orders to meet customers' precise needs are filled regularly. Here, steel bars intended for concrete reinforcement are bent into a designated shape.

**ABOVE LEFT**—Ready for assembly, these pieces of steel web chord will be welded between four lengths of steel angles to form a straight chord joist.

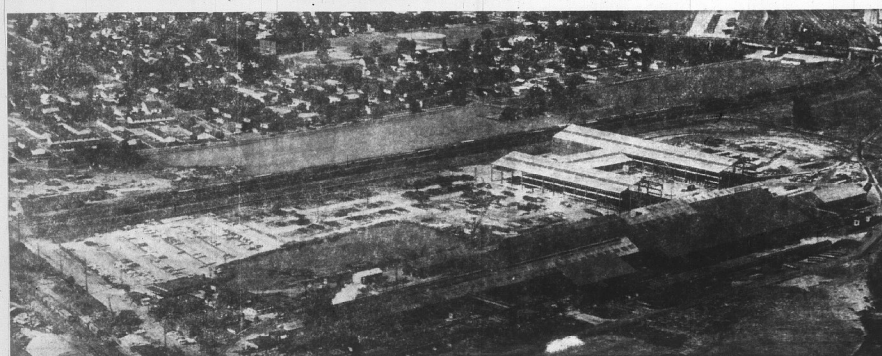

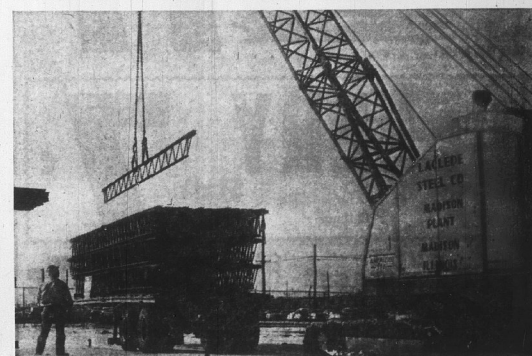

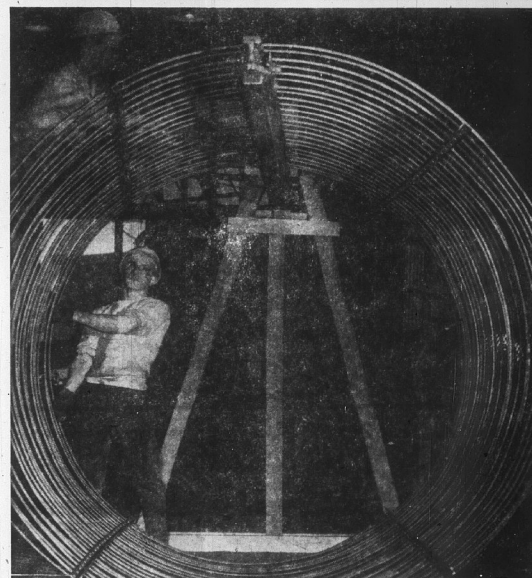

**ABOVE**—Center section of a joist is bent into the necessary weave on this web bending machine.

**LEFT**—Tests at Washington University laboratories confirm that joists produced here meet Steel Joist Institute strength standards.

**RIGHT**—Spirals of steel and welded rings are manufactured for concrete pipe and other concrete reinforcement use.

**BELOW RIGHT**—Completed joists are loaded by crane onto trucks. Shipments also are carried on trains and barges.

**BELOW LEFT**—Aerial view of the local plant, showing the long main building and the new H-shaped joist plant. The view is to the northeast, the McCambridge avenue viaduct is at the upper right, and to the left of it is the Madison junior high school campus.

With the Medallion at the door, you know you're getting your money's worth out of your new-home investment in electrical living. (And good resale value!)

## The Medallion on a new home isn't "given." It's earned!

The Medallion is proof by Illinois Power Company that the electric facilities in your new home have been checked and meet specific high standards.

Your Medallion Home has main service capacity equal to present and future electric needs. It has special-purpose circuits for all 240-volt appliances, enough general-purpose circuits, heavy duty circuits

to kitchen and laundry. It has enough outlets, on all usable wall spaces. It has lighting wherever light is needed.

It has an electric range and three or more other major electric appliances.

When you buy or build, look for the Medallion—symbol of better living, electrically.

A Latin play written and produced by Emory Ackerman was presented during the annual banquet of the Granite City high school Latin Club Thursday evening in the school cafeteria, attended by 60 persons, most in costume.

In the play, "The Mis-Adventures of Caesar," James Veizer was awarded the best actress prize. The theme of the banquet was "That Was the Realm that Was," and money for it was raised by the club through a "slave sale." Another play, "Aeneas Dile," was given by the advanced presentations included—Annette Gasparovic, best dressed; Richard Turner, a Latin student for the year; Daniel Lorenz, most popular Latin teacher; Miss Mildred Hfing, Latin teacher, is the club sponsor.

er, Mike Madglin, Jeannie and Frank Murphy, Herbert Williams, Gayla and Danny Jamerson, Larry Ellis, Daniel Hill, Larry Glenn, Mike Elsworth, Johnny Leatherman, Danny Steward and Becky Carson.

### \$5000 Dram Shop Suit Filed Against 3 Taverns

A \$5000 dram shop suit has been filed for Helen Stockton against three taverns, including the Boathouse tavern, Rural Route One, in Madison county circuit court at Edwardsville. She charged that on July 11, 1963, Daniel Harris was served alcoholic liquors at the Whirl-A-Way Nite Club and the Nose Bag Lounge near Belleville and at the

Boathouse, operated by Marie Colyer Potts, and that he became intoxicated before his car struck several trucks parked at 16th and State streets. The complaint claims that Jimmie Stockton, an infant, was injured in the crash.

**THIS I BELIEVE**

**REVIVAL! REVIVAL! REVIVAL!** This I Believe is the answer to the needs of many SIN-SICK people. Evangelist Bernadine Caldwell of Mt. Vernon, Illinois should be in the midst of a very successful Evangelistic campaign here in UNITED PENTECOSTAL CHURCH by the time this article is printed.

This will be the fourth Revival conducted by Sister Bernadine in the past eight years. I suppose that several hundreds of persons, not members of our Sunday School or Church have visited our services during her meetings here! There was no specific count made and kept, but Granite City and the Quad-Cities in fact have given this Evangelist a good hearing in the past. For one thing Sister Bernadine really preaches the word. There is no substitute for preaching the Word of God. But the preaching is also very interesting and dynamic. These ads must be placed in the paper ahead of time, so the last word I have had from our Evangelist is: I will be there Sunday night, April 26th at 7 P.M. to begin the Campaign. Our services are started at 7:30 P.M., each evening (Monday nights are rest nights), with the exception of Sundays.

Say, you should come to our Sunday School. Our numbers are increasing so join the others and be at our Sunday School 9:30 A.M. There are teachers for every general age group, but more than just a Class and a Teacher, you will hear the Word of God The Full Gospel!
